Note from the Editor Dear RDC members, this magazine is here for all members to share their stories and experiences. This is what brings the magazine to life. Therefore we welcome your contributions for the next issue, August/September 2023. Entry deadline for the issue is 7th July 2023, please send your contribution to accounts@rheindonau.com.au

Thank you - Petra

We would like to welcome 2 new groups to our Club this year!

The **Strategy Board Gamers WA** are a group who like to play a variety of strategy board games. Board games are extremely popular in Germany and this group is a great addition to the Club. They usually meet once a month on a Sunday from 10-4pm in our Karl's Bar. Greg Colgan is the Group Leader of the group and if you would like to join them or have any questions please contact him under 0424 109 976

Also joining us is the **WA Brick Society (WABS)**. The WA Brick Society is a LEGO® user group (LUG) based here in Perth for adult fans of LEGO® (AFOL's). This group loves to build and design different things with the very famous Danish owned LEGO® bricks. We have made room for them in the former storage room opposite the Miniature Railway Group. They have been fantastic in helping us clean out the shed at Playle Street and move things within the Club. Details of when their main meeting day is still needs to be confirmed. Ryan Masters is the best contact person and can be reached under 0402 702 960

We are very excited to welcome all these new members into our Club and looking forward to what new ideas and fresh air they can bring to us.

Please make sure you welcome them and have a chat with them when you see new faces around the Club!

President's Report

Liebe Mitglieder,

Über die Osterfeiertage hatten wir das Nationale Volkstanzfest in unserem Club abhalten dürfen. Die Edelweißstanzgruppe hat sich viel Mühe mit den Vorbereitungen gegeben, und es hat allen Teilnehmern sehr gut gefallen.

Alle vorgetragenen Tänze waren Spitzenklasse und auch die Glockenspieler brachten Hochleistungen. Alles in allem für die Zuschauer war es ein großes Vergnügen und ein gelungenes Wochenende.

Da wir sehr viele ältere Mitglieder haben, die unsere Abendveranstaltungen nicht mehr besuchen kommen, weil sie z.B. abends nicht mehr fahren wollen, hatte ich mal über 60 Senioren zu einem Nachmittag mit Kaffee und Kuchen eingeladen. Leider sind nur elf Personen erschienen. Ich bin zu der Annahme gekommen, es besteht nicht genug Interesse. Schade!

Am 21. Mai 2023 hat sich das neue Komitee für 23/24 gebildet. Ich hoffe Sie werden auch diesem Komitee Ihr Vertrauen schenken. Wir wollen nur das Beste für unseren Club und werden sehr hart dafür arbeiten.

Unseren kranken Mitgliedern wünsche ich eine schnelle Genesung.

Ursula Deck,

President.

Dear Members,

Over the Easter holidays we celebrated the National Volkstanzfest in the Club. The Edelweiss Dance Group worked very hard for this event. Every participant enjoyed their time in the Club. The dancers were top class and the bellringers produced outstanding performances. All in all, it was a very enjoyable and successful weekend for the audience.

We have many senior members who are unable to come to our evening events, maybe because of no longer wanting to drive at night, so I invited more than 60 seniors to an afternoon tea with coffee and cake. Only eleven people turned up, so I have come to the conclusion that there is not enough interest in such an event. That is a pity.

On the 21.5.2023 the new committee for 23/24 was elected. I hope you will put your trust in this committee as much as the previous one.

The committee wants only the best for the Club and works very hard to achieve that.

I wish our sick members a speedy recovery.

Kitchen Renovation Update

Dear Members,

After our last members meeting the Club engaged an Architect and a Builder to assist us with the building permit application and the management of the construction site.

We since had several productive meetings with all parties and looked into all aspects of the project and the different options and impacts relating to people and workplace flows in and around the kitchen.

The Club also engaged a design certifier and a mechanical engineer to assist us in getting the building permit and to ensure that we are doing everything by the book and to government regulations.

Unfortunately all these things take time, and we were not able to apply for the permit in time for the renovation start date of 15.05.2023.

Also, our latest cost calculations are above budget and therefore we have decided to postpone the start date to after the 2023 Oktoberfest.

That will give us the opportunity to consult and inform the members at the AGM about the latest developments, it will put us in a better cashflow position, and we will have the new exhaust canopy manufactured and on site before we start, minimising the chances of construction delays.

My apologies if the delay has caused problems for some event organisers or individual members.

Rest assured that the kitchen renovation is a complex undertaking and that we are doing our best to get it done efficiently, cost effective and in due course.

In the meantime we are starting with smaller preparation works on the roof and in the hallway between the bar and the kitchen. We are also upgrading the facilities at the Wurstbude.

Yours faithfully,
Steve Schlegel - Vice President

WAMO (West Australian Mandolin Orchestra)

Following on from our very successful concert at the Club on April 30th in the Edelweiss Hall, WAMO is now preparing our next Cafe Concert which will be staged on August 27th also at the Club. We will commence this one at 4 pm to allow an after concert take-up from the kitchen and bar facilities. (See flyer below)

This forthcoming concert will be conducted by yet another emerging young conductor Jana Buvari, a graduate from WAAPA and full time teacher and performer.

Another interesting program with an 'Around the World' theme ranging from some well known popular classics (Classical Gas - American) some Spanish, Croatian, Cuban and Italian works.

The extended work for this program will depict scenes from around Australia to complete our travels.

WAMO is pleased to have acquired a double bass player, Ross Daglish, who is adding the extra depth and oomph to our overall sound.

Rehearsals have been impacted a little due to members travelling overseas and still a few Covid casualties. But by and large we are on track for another tuneful and colourful concert.

Music Director.

Eagle Eye Air Rifle Group

Firstly, regarding our Schützenfest which was held a week after the May dance. Thanks to Matt for a very colourful Eagle and for one that wasn't too easy or too hard to shoot apart. Isabella who shot the Orb by herself is our Princess. Susan shot the crown to become the Königin for the second year in succession, and after fierce competition and a well and truly demolished eagle, Jody Mc Neill is our new König. A great night was had by all.

Many thanks to our group members who were able to assist with our Schützenfest Dance night. It was a great night with around 250 guests attending. In the Sports Hall we had all 8 bays open and we were kept busy from 5 o'clock right through to the end of the night, instructing guests in the ways of the rifle. Our guests were able to get a good idea of the challenges that our sport has to offer, hopefully we have picked up a few new members.

The best shooter of the day was in fact the Königin, Kellie McLetchie, with a score of 92/100. Kellie is the daughter of Debbie and Trevor Solomon who, I think, were even more proud than Kellie. The König was very close with a score of 91/100 and that went to Frank Danielczok. The Junior winner was Thomos Johnston with a very good score of 86/100. Congratulations to our winners.

It's good to see Sophie back on a regular basis, here is a nice shot of her catching up with old friends.

Table Tennis Group

Our table tennis group will be hosting the Christmas In July event again this year and it will be on Saturday 29th July. It should be a good night with a great band, raffles, giveaways and a bit of entertainment. Would appreciate any help from our table tennis members with donations for the raffle table and help on the night with raffle ticket selling, etc. We will man the front desk and all takings minus expenses go towards our group fundraising. So please consider bringing friends and family to enjoy a fun night out.

Paul Miller has kindly sent in an article on behalf of himself and his wife Kerry.

Our beautiful daughter Samantha passed away on September 14 last year after losing her battle with mental health. We respected her decision after witnessing her battle over the last 10 or so years, which was in part caused by bullying at school and a cruel sexual assault. As testimony to her beautiful soul, her fun loving, non-judgemental character and her absolute love and support she gave to all she met, 750 people came to her life celebration as well as another 550 on live streaming from all parts of the world. We, and her friends, have been so blessed with beautiful signs and happenings from Sam, that we know she is in a happy place and supporting us as we struggle to adjust to what has happened. Kerry and I have so appreciated the support and ongoing contact from all who knew Sam and us. It really helps and we embrace talking about Sam with whoever we meet.

We were in the process of expanding an existing small farm, including miniature donkeys and alpacas, at Metricup for camping and retreats, and will continue to do as we had planned with Sam. We have included table tennis tables there as she also loved her table tennis.

All our love – Kerry, Paul & Sammy.

Paul is a much loved member of our group and will have our ongoing support.

Debbie Solomon
Group Leader

With the 2023 competition year well underway a large group of our pistol club members travelled to Darwin for the National Championships in May.

Mike Knapp, Mike Giustiniano, Scott Anderson, Bailey Groves, Katie Nicholls, Siobhy Nicholls, juniors Caity Worth and Arvin Nair as members of the state team, Jenni Bowman assistant state team manager, Jo Muir and Murray Bow competing as individuals as well as Arvins Dad Sree, Caity's Mum and Dad, Jill and Troy as supporters. It was a week of competition, an opportunity to be tourists and some spectacular Darwin sunsets.

The WA team won the National Manton Shield for only the 3rd time and it's a positive reflection on our club that 8 of the 12 shooting WA team members choose to join and shoot at the Rhein-Donau Club.

The podium for most of the events had our members represented as individuals or team members.

Bailey Groves was National champion in 50m Pistol and 25m Rapid Fire and 2nd to Olympian Dan Repacholi in an exciting final in 10m Air Pistol. Mike Giustiniano was second to Bailey in 50m Pistol as was Scott Anderson in 25m Rapid.

Scott Anderson was National Champion in 25m Centre Fire and 2nd in 25m Standard.

Siobhy and Katie Nicholls made the finals in 25m Pistol and 10m Air respectively and were members of the WA team winning bronze in both events.

Mike Knapp joined in for 2 team gold medals with Bailey and Mike in 50m Pistol and Bailey and Scott in 10m Air. Scott and Mike Giustiniano were in the winning 25m Centre Fire team and Katie Nicholls joined Scott and Bailey to win silver in 25m Standard.

Our juniors Caity Worth and Arvin Nair competing in their first Nationals were in the junior team winning bronze for WA and both 7th in the Top 10 of their respective junior 10m Air matches.

Our club continues to grow, as well as encouraging members to enjoy competing we also provide a great social shooting environment and in the July

school holidays will be hosting a school holiday shooting program for local children to introduce them to our sport.

We always welcome Rhein-Donau Club members and their families to contact us to try pistol shooting.

Rhein Donau Pistol Club

We celebrated the 24th National Volkstanzfest 2023 over Easter and welcomed a number of groups from the eastern states. What an absolutely amazing weekend! We laughed, danced, sang, ate and drank keeping David, Ida, Bobby and the rest of the staff busy. A huge thank you to all of them. We received nothing but positive feedback about the great drinks, food and service.

To organise a festival like this takes a lot of planning and hard work. Rebecca Watson did a fine job co-ordinating with her committee, Monika, Erika and Mason. Thank you for all your efforts.

Every performer received a gingerbread heart. We baked and decorated 200 of them under the supervision of heartmaker supreme, Sieglinde Dücke. It really was a huge effort. To all of you who helped make that possible, much gratitude (they were delicious by the way).

On behalf of everyone in the group, I would like to say how grateful we were to have Robert Schulz come back and play for us. Live music makes such a difference. We had another very "live" musician in David Vieceli who accompanied the girls on the bells, danced and managed to be behind the bar and ensure that everyone stayed hydrated. I would like to congratulate Zara, Jemima and Hannah for their wonderful performances. Great job girls!

We also had a special guest performer. Werner Dücke flew in from Queensland to dance with us and remarkably didn't miss a beat or a slap. Bev Stocco helped us out by being on the door and welcoming everyone.

In this digital age, we are fortunate that many photos and videos can be taken. A very special thanks to Vanessa for the great shots. Of course, I cannot forget to mention Darren who spent the weekend alternating between two go-pros, camera and video to ensure we captured this very special event. At present I am filtering through the hours and hours of footage to pass on to Albert Pulver who has volunteered to do the editing for us. Thank you, thank you, thank you!

DJ Brian ensured that the music flowed the entire weekend and helped to create a terrific atmosphere whilst Peter West flew all the way from Tasmania to be our MC and what an MC he was. He has been dubbed “Mr Volkstanzfest.”

Whilst bus services were engaged, a number of our group had to do airport pickups as well to cater for the flight changes and delays. I highly recommend Bruce Walker as chauffeur extraordinaire and the lovely Amanda (the woman behind the man).

And on Easter Sunday, we had a very welcome visitor, the Easter Bunny who delivered some delicious chocolate eggs.

The performances were wonderful and of course, the children stole the show. How heart-warming to see the traditions passed on from one generation to the next. Being part of a dance group and meeting up with “old” friends and making new ones is food for the soul. The absolute joy it brings to all of us, participants and spectators alike, is truly special.

To those of you who visited on the weekend, thank you for supporting the dance group. It means a lot to us and is very much appreciated.

And to my fellow group members, many thanks for the time and effort you all put in to making the 24th National Volkstanzfest 2023 the success that it was.

If that wasn't enough, we went on to hold our May Dance. Sadly, numbers were down but the atmosphere was great with Anna and Ross from Alpen Duo providing wonderful music.

Our next dance will be the Alpengaudi in August. I hope to see many

of you there. And remember, we are always looking for new members, so if you are interested in dancing or playing the bells, we practise on a Sunday afternoon from 5pm onwards.

See you on the dance floor!

Looking for Volunteers

The Rhein-Donau Club is currently looking for Volunteers who can help with the gathering and organising of historical Club documents. We would like to create a display or book for the Club's 70th birthday in 2028 and think it would be wise to start with the collation and sorting of historical data, documents and photos already.

If you want to be part of a group to dive into the history of the Club and make it happen, please let Petra or Annette in the Office know on 9330 6488 or send us an email to admin@rheindonau.com.au

NOTE regarding GROUPS:

To join a group and/or be a member of a group you **MUST** be a full financial member of the Rhein-Donau Club. The Club charges a yearly membership fee and so do most groups. Please contact the respective Group Leaders for any enquiries.
