## Note from the Editor

Dear RDC members, this magazine is here for all members to share their stories and experiences. This is what brings the magazine to life. Therefore we welcome your contributions for the next issue, October/November 2024. Entry deadline for the issue is **Friday 6th September 2024**, please send your contribution to [accounts@rheindonau.com.au](mailto:accounts@rheindonau.com.au)

## Joyce Williams

Joyce Williams was a long-time member of the Rhein- Donau Club having joined in 1995, and remained a loyal member until 2021 when her failing health required her to move to a nursing home.

Her love was table tennis and not surprisingly she acted as treasurer and group leader of the RDC Table Tennis Group for

many years. She played pennants and was actively involved in the greater Western Australian table tennis community.

She represented the State in several Australian National Veterans Table Tennis tournaments managing to win many gold and silver medals in her age group. Her last tournament was in October 2018 in Bendigo at the age of 86 years.

Joyce passed away suddenly on the 4th of July 2024 aged 92 years. She is survived by her daughters, Sandra, Karen, Meredyth and Denise, grandchildren and great grandchildren.

**Our deepest sympathies go to the families in these difficult times.**

## President's Report

We have now installed 4 new POS Terminals in our bars. Kellermeister David Vieceli has worked hard with our supplier to set it all up. The new system will enable us to control our stock better, shorten waiting times at the bar and allow us to improve the way we can offer specials to our members. In cooperation with our new membership management system, we will be dramatically cutting down the hours we are spending on managing memberships and payments. We have ordered new plastic membership cards for all our members. These will be arriving soon, and you will be informed when you can collect yours.

We are currently working on electricity supply capacities for the new Air Conditioners.

Congratulations to our trustee Debbie Solomon for her 50th Wedding Anniversary that she and her husband Trevor celebrated at the Club on 1 June 2024.

Annette, Petra and Maria showed great dedication and effort in the Winter decoration for the Apres Ski Party and the Kids Winter Wonderland. It was good to see so many young families at the Wonderland enjoying the games and great atmosphere our Club is offering.

At the beginning of July, we hosted a very successful Quiz Night.

Congratulations to the WA Brick Society who won the Quiz and hopefully enjoyed the winning basket stuffed with German sweets, wine and 10 Oktoberfest Tickets. A big Thank you to Michael Walsh from the Perth Miniature Gamers for donating \$60 towards the prizes.

We also had a few well attended Birthday parties by our members.

I also would like to thank the Table Tennis Group for the yet another great Christmas in July function.

Last but not least, the Club will be hosting a traditional German Evening Dinner/ Deutsches Abendbrot on 31 August 2024. Don't miss it!

Wir haben jetzt 4 neue POS-Terminals in unseren Bars installiert. Kellermeister David Vieceli hat hart mit unserem Lieferanten zusammengearbeitet, um alles einzurichten. Das neue System wird es uns ermöglichen, unseren Bestand besser zu kontrollieren, die Wartezeiten an der Bar zu verkürzen und die Art und Weise zu verbessern, wie wir unseren Mitgliedern Sonderangebote anbieten können. In Verbindung mit unserem neuen Mitgliederverwaltungssystem werden wir die Zeit, die wir für die Verwaltung von Mitgliedschaften und Zahlungen aufwenden, drastisch reduzieren. Wir haben für alle unsere Mitglieder neue Plastikmitgliedskarten bestellt. Diese werden bald eintreffen und Sie werden informiert, sobald Sie Ihre abholen können.

Wir arbeiten derzeit an den Stromversorgungskapazitäten für die neuen Klimaanlage.

Herzlichen Glückwunsch an unsere Treuhänderin Debbie Solomon zu ihrem 50. Hochzeitstag, den sie und ihr Ehemann Trevor am 1. Juni 2024 im Club gefeiert haben.

Annette, Petra und Maria haben viel Engagement und Mühe bei der Winterdekoration für die Après-Ski-Party und das Kids Winter Wonderland gezeigt. Es war schön, so viele junge Familien im Wonderland zu sehen, die die Spiele und die tolle Atmosphäre unseres Clubs genossen haben.

Anfang Juli haben wir einen sehr erfolgreichen Quizabend veranstaltet.

Herzlichen Glückwunsch an die WA Brick Society, die das Quiz gewonnen hat und sich hoffentlich über den mit Deutschen Süßigkeiten, Wein und 10 Oktoberfest-Tickets gefüllten Gewinnerkorb gefreut hat. Ein großes Dankeschön an Michael Walsh von den Perth Miniature Gamers für die Spende von 60 \$ für die Preise.

Wir hatten auch einige gut besuchte Geburtstagsfeiern unserer Mitglieder.

Ich möchte mich auch bei der Tischtennisgruppe für die wieder einmal großartige Weihnachtsveranstaltung im Juli bedanken.

Und ich freue mich, mitteilen zu können, dass der Club am 31. August 2024 ein traditionelles Deutsches Abendbrot veranstalten wird. Das sollte man nicht verpassen!

# WA MANDOLIN ORCHESTRA

## AN ECLECTIC DAY OUT

Sunday 22nd September 4 PM. 2024.  
At the Rhein-Donau Club, 110 North Lake  
Road, Myaree.

**Conductor - Robert Schulz**

Kitchen and bar facilities available after the concert.

Don't miss our end of year performance on  
**Saturday December 7th, 4 PM at the Rhein-Donau  
Club.**

An exciting program with the world premier of a new  
composition from Robert Schulz for accordion and  
orchestra. And under the baton of new recruit  
Nicholas Kryiakakis.

## WAMO - West Australian Mandolin Orchestra

Following on from our very enjoyable concert in June,  
WAMO is now preparing for their third concert for 2024  
on Sunday 22nd September. (See flyer in this magazine).

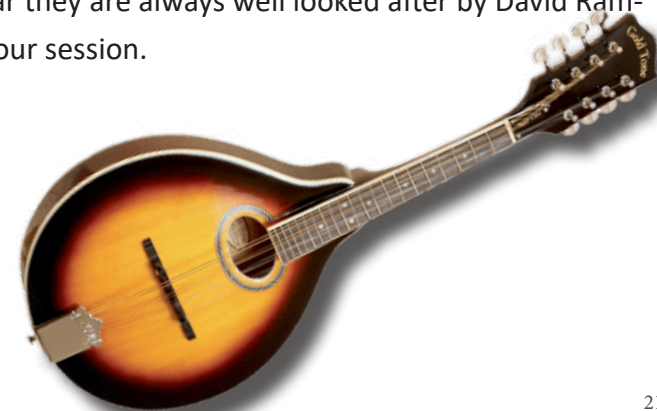

WAMO players and audiences alike seem to enjoy the wide range of  
musical compositions we present, so this next concert is no exception.

A robust Overture by the Dutch composer J.B. Kok opens the program.  
An attractive Waltz by Comtess Delys is partnered with a work based on  
Estonian folk rhythms. An unlikely composer in Frederick Chopin makes  
his WAMO debut with 5 short works arranged from his piano music.  
Everyone knows Joplins The Entertainer, so we are presenting his slow  
march 'Solace' instead. Within the program there are three pieces by  
Robert Schulz each with a very different story to make a varied and we  
hope entertaining program.

Tickets are available on-line through Trybooking.

WAMO continues to rehearse weekly with a new challenge in finding a  
car park, as the Club seems to become very popular on a Wednesday  
evening. Rehearsals always begin on time and for those who choose to  
have a drink at the bar they are always well looked after by David Ram-  
say following our 2 hour session.

Robert Schulz  
Founder of WAMO

There's never a dull moment for our club, in the last month we've been busy displaying at York Festival and AMRA.

A group of us headed out to York Festival for the weekend of the 1 and 2 June and set up Lego displays, Louisa set up the Minifigure photos and Jude Wright had his GBC running to everyone's delight. We also had one of our longtime young member Chase Gibson do a fantastic job of helping run the Lego Technic Remote-controlled cars.

Here you see Chase Gibson helping us set up at the York Festival, and Aaron and Chase Gibson before the event started.

The Annual Australian Model Railway Association was held on the 22 and 23 June at the Claremont Showgrounds, on display the Tidman Brothers with their City layout, streets lined with a mixture of houses, the Perth Train rushing past and the minifigures lining up at the Train Station waiting to board the train.

Graeme Price had his beautiful farmhouse and surrounding farm fields on display and Leslie Elverd had his C-Series Trains on show:

## **News Flash:**

Jude Wright of the West Australian Brick Society will be attending Brixpo in Adelaide to collaborate with his South Australian counterparts to break the Southern Hemisphere GBC record. The team is quietly confident that the record will be shattered, striking fear into the eyes of those who hold the world record. Jude is embarking on a small drive of 28 hours one way, bringing over 100,000 LEGO bricks with him. This ambitious endeavour underscores his dedication and passion for LEGO building, and they are excited to showcase their skills and creativity at Brixpo, aiming to set a new benchmark in the world of LEGO GBC exhibitions.

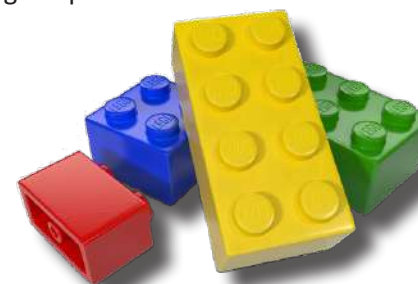

We wish the GBC Group the best of luck in attempting to break the record.

## **July's Events:**

23 July – LEGO Ladies Night Members Free, Non-Member \$5 entry

24 July – Members Night Members Free, Non-Members \$5 entry

And here is our next Lego Dance Set 71424  
--> Lego Super Mario

It's getting busy at our weekly club evenings with several new members learning to shoot and members training for upcoming WA Pistol Association opens as well as the State Championships to be held in Geraldton during September.

We have our own air pistol open on the 27 and 28 July, these opens are very popular and what was a one-day event is now extending to the Saturday afternoon to fit in all the entrants.

After all the excitement of the Paris Olympics' selection events with Rhein Donau Club members, Bailey Groves, Scott Anderson, Katie and Siobhy Nicholls being in contention it was disappointing after the final event in Rio De Janeiro that only two Australian pistol shooters were selected, and our four members will now look to Los Angeles 2028 for their next Olympic opportunity.

Having the kitchen and bar open on Thursdays has been terrific, the increased patronage by locals have seen some new faces coming into the Sports Hall to check out the pistol shooting, leading to enquiries about joining the Club.

We hosted the Applecross High School Fathers Group in June, this is an annual event on a Thursday evening and this year most of the group came early, taking advantage of the kitchen being open for a meal before the shooting. After an introduction and talk from Scott Anderson about his shooting journey, starting as a junior, to Australian representation, the fathers were introduced to the safety requirements and the friendly competition started. The evening finished with a very competitive final between the three fathers with the highest scores.

Congratulations to our junior members Isabelle Cox and Campbell Black who have been selected in the Pony Club Australia International Tetrathlon Team. Tetrathlon is a four-discipline combined event, riding, running, swimming and air pistol shooting. The team will be competing in the UK and Ireland during July and August and we wish them both, all the best.

Are you new to the Rhein Donau Club, are you looking for a new and family orientated sport? Pistol shooting might just be it, from your youngest family member to your oldest, contact our club organisers (details in this magazine) and arrange to come along and try or drop in to the range and say hello.

Rhein Donau Pistol Club

Dear Seniors,

I am glad you liked the last two lunches we had together.

Last Wednesday we had Lola and Heinz with us. Lola did not say a word, but when she left she said, thank you Rita.

Because it is hard to get a little bus to take you out somewhere, we will have more lunches together.

Our next dates for our get-together, 17.7., 31.7., 14.8., 28.8.

New members are always welcome.

The surprise has arrived!

The director of the George Washington University School of Medicine maintains that the brain of an elderly person is much more practical than is commonly believed.

At this age, the interaction of the left and right hemispheres of the brain becomes harmonious, which expands our creative possibilities.

That is why among people over the age of 60 you can find many personalities who have just started their creative activities.

Of course, the brain is no longer as fast as it was in youth. However, it gains in flexibility.

Therefore, with age, we are more likely to make the right decisions and less exposed to negative emotions. The peak of human intellectual activity occurs around the age of 70, when the brain begins to work in full force.

Over time, the amount of myelin in the brain increases, a substance that facilitates the rapid passage of signals between neurons. Due to this, intellectual abilities increase by 300% compared to the average.

Also interesting is the fact that after 60 years a person can use 2 hemispheres at the same time. This allows you to solve much more complex problems.

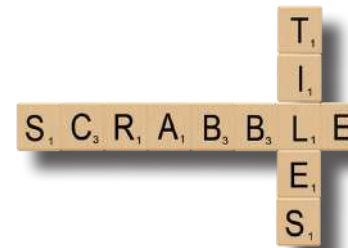

Professor Monchi Uri, from the University of Montreal, believes that the elderly brain chooses the path that consumes less energy, eliminates the unneces-

sary and leaves only the right options to solve the problem.

A study was conducted in which different age groups participated. The young people were very confused while passing the tests, while those over 60 years old made the right decisions.

Very interesting!

For the past year our table tennis group has enjoyed the company of a wonderful young couple from Austria, Philipp Maurerbauer and his partner Barbara. Philipp is a keen table tennis player and we have all enjoyed our games with him. He also volunteered to join us in this year's Christmas in July skit. Philipp has penned a few words:

*After an exciting year full of table tennis games and steins of Weißbier, we are getting ready to return to Austria. Barbara and I first met while studying music in Vienna. After graduating we moved to Naples, Italy, where Barbara got a job at the university as an accompanist. Always craving for new adventures we originally planned to move to Asia, but fate had other plans. In April 2023, we arrived in Perth, Australia, after Barbara received a job offer as a piano teacher. I balanced my mornings as a freelance music producer and composer and my afternoons with navigating a forklift in a warehouse. Arriving with no expectations and never having heard of Perth before, we were pleasantly surprised by the great weather, friendly and helpful people, and beautiful nature. One lucky day, while we were driving, Barbara spotted the Austrian flags in front of the club from the car window. With the excitement of a kid who just found a hidden candy stash, she yelled, "Stop the car!" We didn't know back then, but we accidentally stumbled upon the*

*Rhein-Donau Club, which happened to be right across the street from Barbara's workplace. From that moment on the club became our second home. Since then, for me, the table tennis training became the highlight of the week, and for Barbara... well, she restarted the Rhein-Donau Chess Club! (Wednesdays 8 pm if anyone is interested in joining). Whenever we felt homesick, the club was there to cheer us up. From Bobby's legendary pork knuckle to the freshly tapped German Weißbier and the wonderful folks in the table tennis group, the Rhein-Donau Club has given us a home away from home. As our Australian adventure comes to an end, we will be leaving at the end of July to return to Austria. The decision is a mix of visa issues, family ties, and new job opportunities. But don't worry, we have every intention of coming back in the future! We will miss the Rhein-Donau Club and all the incredible people we've met. Thank you for the support, laughter, and unforgettable memories. Until we meet again, keep the Weißbier cold and the pork knuckles crispy! Philipp and Barbara*

On a sad note we have been informed of the passing of our previous long term group leader, Joyce Williams. Jack Dombrose kindly sent through an article:

*Sadly on the 4 July 2024 our long term club stalwart Joyce decided it was time to move on. Joyce joined Rhein Donau in 1995 and became immediately involved with the table tennis group. She was an active member serving as treasurer and later as Group Leader for many years. In her later years Joyce began playing in the Australian National Veteran's tournaments and succeeded in bringing home a number of gold and silver medals for her age group. For several years Joyce volunteered to train juniors, resulting in one of her stu-*

*dents obtaining an Australian ranking for her age group. An achievement she was justifiably very proud of. Joyce provided much humour within the group via her antics and woe and behold anyone who didn't serve correctly!!! Joyce continued playing table tennis at the club and in tournaments into her late eighties, her last*

*National Vets Championship being in October 2018 in Bendigo at the age of 86 years. At our annual end of year wind up on 14 December 2021 we were able to celebrate her 90th birthday along with the pre-Xmas festivities. This proved to be her last night at the club as her failing health required her to move to a nursing home. Leaving the Group was not an easy proposition for Joyce as table tennis was central to her life and she waited eagerly for each Tuesday night. Whilst in the nursing home, her interest in things table tennis did not wane - whenever anyone spoke to her, she would always ask about the Group and the welfare of the individuals in the Group.*

## Edelweiss Dance Group

Hello to all Members !

The Edelweiss Dance Group is currently practicing for Alpengaudi and Oktoberfest, and we will soon be starting a children's group which will be run by Mason Kemp at 4.00pm on a Sunday afternoon. So parents, if you and your kids are interested please come along to our practice at 5.00pm on Sundays to meet and discuss with Mason.

Wir sehen uns im Club!

David Vieceli  
Group Leader - Edelweiss Dance Group

David and the new POS  
System

On the 9th of June, our Group celebrated its 56th Anniversary. The anniversary shoot was a fun event. After a few fairly poor practice shots the competition was won by Matt Dhue, 2nd place was Jeff Cadzow and 3rd was Carl Simonetti.

For many months now we have been negotiating with a few German manufacturers to supply us with shooting medals and badges. It has been a bit of a saga but they have finally arrived.

We are now able to catch up with a few years of King and Queen medals and look forward to presenting badges and medals for many of our annual events.

Medals and badges have had a long tradition in German shooting clubs but we still have a long way to go to catch up to our sister Club in Arbergen.

We have a lot of enthusiasm in regard to entering ARAA postal shoots. Which is fantastic for the organizers and all the shooters. I don't have the winners of the Christmas in July shoot at the time of writing but I'm sure that we will have a number of winners.

We have The Eagle Eye Cup and the club Championships coming up soon.

If there are any Club members who might be considering air rifle target shooting as a sport or just a fun thing to do, air rifle shooting is the only sport that I know where it doesn't matter how old you are or whether you are male or female, or what your fitness level is.

Come and have a try, we shoot every Friday night from 7.00pm . Give me a call on 0412 381 373.

Good Shooting.

Jeff
