HOUSEKEEPING

Dear Members,

As our Club community continues to grow, we kindly ask that you **please bring your membership card with you whenever you visit the Club**.

Since we now have so many wonderful members, it's becoming harder for our staff to recognise everyone by face. To help us confirm that members are financial and entitled to Club benefits, we will soon begin scanning membership cards at the cash registers.

If you have already been notified that your membership card is ready for collection but haven't picked it up yet, you can collect it from the office or simply ask at the bar during your next visit.

Thank you very much for your understanding and cooperation — we truly appreciate your support and look forward to seeing you at the Club!

President's Report

Dear Members,

We had a successful Oktoberfest 2026.

I would like to say thanks to all members, our groups and staff that have helped once more to make this event so successful and special. We can all be proud of our Club and what we have achieved over the last weeks.

In November we had TAGWA (German Teacher Association of WA) here, presenting their DAS Exam Awards. I was able to thank the teachers for their hard work and handed them a $500 Voucher for Club Sponsor Seven Sins Restaurant in the Perth Hills. Club Sponsor "Janssen and Maluga Legal" have paid for the wonderful buffet for the event.

The Southern Suburbs Chess Club organised their first tournament in many years at the club and we are now in negotiations with them to become part of our club.

I have visited Wolfgang Leonhardt and his wife Gisela again and he is still in good shape and currently planning on celebrating his 98th Birthday at his beloved Club in December. Wolfgang has written a book about his eventful life and I have added a copy to our time capsule.

We have received a lot of compliments about the renovations, and I have had a lot of positive feedback about our new German Club Perth sign above the Edelweiss Hall windows.

All changes to our constitution have been officially approved by the commissioner and the updated version is available on our website.

The committee and our office team are working currently on securing another government grant.

I would like to wish all our members a wonderful Christmas and a happy new year 2027.

President's Report - Deutsche Version

Wir hatten ein erfolgreiches Oktoberfest 2026.

Ich möchte allen Mitgliedern, unseren Gruppen und dem Personal danken, die erneut dazu beigetragen haben, diese Veranstaltung so erfolgreich und besonders zu gestalten. Wir alle können stolz auf unseren Club und das sein, was wir in den letzten Wochen erreicht haben.

Im November war die TAGWA (German Teacher Association of WA) bei uns zu Gast, um die Auszeichnungen für die DAS-Prüfungen zu überreichen. Ich konnte den Lehrkräften für ihren unermüdlichen Einsatz danken und ihnen einen Gutschein im Wert von 500 $ für das Restaurant „Seven Sins" in den Perth Hills – einen unserer Sponsoren – überreichen. Unser Sponsor „Janssen und Maluga Legal" hat zudem das wunderbare Buffet für diese Veranstaltung finanziert.

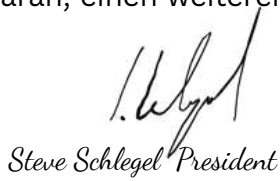

Der „Southern Suburbs Chess Club" hat bei uns sein erstes Turnier seit vielen Jahren ausgerichtet; derzeit führen wir Gespräche darüber, ob sie Teil unseres Clubs werden könnten.

Ich habe Wolfgang Leonhardt und seine Frau Gisela wieder besucht. Er ist nach wie vor wohlauf und plant derzeit, seinen 98. Geburtstag im Dezember in seinem geliebten Club zu feiern. Wolfgang hat ein Buch über sein bewegtes Leben geschrieben, und ich habe ein Exemplar davon in unsere Zeitkapsel gelegt.

Wir haben zahlreiche Komplimente für die Renovierungen erhalten, und auch unser neues Schild „German Club Perth" über den Fenstern der Edelweiss-Halle stieß auf sehr positive Resonanz.

Alle Änderungen an unserer Satzung wurden offiziell von der zuständigen Behörde genehmigt; die aktualisierte Fassung ist auf unserer Website einsehbar.
Der Vorstand und unser Büroteam arbeiten derzeit daran, einen weiteren staatlichen Zuschuss zu erhalten.

Ich wünsche all unseren Mitgliedern ein wundervolles Weihnachtsfest und ein glückliches neues Jahr 2027.

Kellermeister Report - Oktoberfest

Hello to all Members,

I have been asked to give a report on Oktoberfest.

The Bars operated very smoothly through out the whole time. Our Bar Staff handled all the guests quickly and we also had a lot of new people working and they worked super good.

In terms of bar sales the bars went through

- 145 kegs of beer,
- 315 Bottles of Schnaps,
- 200 Bottles wine and
- lots of Soft Drinks

So as can be seen it was a very good Oktoberfest! I think the Club will maintain its second spot in WA as a Weihenstephan major Keg outlet south of the River.

So thank you to everyone behind the Bar and also Glassies for their hard work - much appreciated.

German Word of the Month

Fernweh

[FEHRN-vay] *noun*

That irresistible longing to travel **somewhere** far away – essentially the opposite of *Heimweh* (homesickness).

The story behind the word

Fernweh combines *fern*, meaning "far away" or "distant", with *Weh*, meaning "ache" or "pain". So, quite literally, it means an "ache for faraway places".

While *Heimweh* makes you long for home, *Fernweh* pulls you in the other direction – out into the world to explore, discover and experience new places.

In a sentence:

„Ich habe Fernweh – ich möchte endlich wieder verreisen!"

"I've got Fernweh – I really want to travel again!"

Fun thought:

Heimweh makes you want to come **home**. Fernweh makes you want to pack your suitcase.

Manchmal ist Fernweh der schönste Antrieb. ♡

A Royal Connection –
Fun at the Perth Royal Show! 🎡🎠

Once again this year, we were extremely fortunate to receive complimentary tickets to the Perth Royal Show, generously provided by the **Royal Agricultural Society of Western Australia.** Thanks to their kindness, many of our members and their families enjoyed a fantastic day out, exploring the wonderful displays, thrilling rides, entertaining shows and, of course, all the delicious food!
Our Club has a long-standing connection with the Claremont Showgrounds, having held our Oktoberfest celebrations there for many years.
And speaking of Showground memories – our President has recently purchased and lovingly restored an original bumper car from the Showgrounds, which is now proudly on display at the Club! Next time you're visiting, come and have a look – and don't forget to snap a photo! 📸

A big thank you to the Royal Agricultural Society of WA for their continued generosity and support!

Perth Alemannia Football Club

Dear Members,
Dear Football Lovers,

Our club played the first games as Team Germany against Togo 4:2 (1:0) victory and against Djibouti 5:5 (2:2) draw in friendlies, before we joined Team Nepal in the Football West World Cup from the 17th October to the 1st November 2026.

In Group A we versed North Macedonia (2:3 loss) and Eritrea (1:3 loss) before we won 2:1 against Ireland. The national Teams are usually played on a State League level including several players from the National Premier League (NPL). In all games our team was competitive, but experience, especially against the North Macedonian's, who scored the winning goal against us in the last minute, was missed in our very young team.

Therefore, it was great to see that our boys beat the highest rated team of Ireland in front of more than 300 spectators in the Inglewood United Stadium.

More activities are up and coming:

Firstly, our **AGM** will take place
* Wednesday, 25 November 2026 at 6:30 pm
* at the German Club Perth
(Rhein-Donau Club)
108-110 North Lake Road, Myaree WA

Secondly, on Saturday, 28th November and 5th December 2026 we will have **open training sessions**. Anyone wants to express their interest to play Amateur League in 2027 for us can send an email to Gerhard Janssen perthalemanniafc@gmail.com or a text to 0428.204 674.

Table Tennis Group

We have come to the end of our table tennis year and time to celebrate with a bit of Christmas cheer. Our last playing date for this year will be on Tuesday 15th December, starting at 6.30pm. We will play for a couple of hours then enjoy some supper and a few drinks to toast away 2026. We will resume on Tuesday 2nd February 2027 at 7pm. Just a reminder that the shed is always available during the break for our members.

Dave Ramsay has sent through an article on his recent holiday to Europe. It sounds fantastic, thanks Dave.

Our annual trip to Europe... Copenhagen has long been on Kay's 'bucket list' of places to see in Europe and that is where we started our holiday... We were lucky enough to be in Copenhagen when it was warm and sunny, which was a real treat. The canals are busy with tourist boats and pleasure craft, and the good weather puts the naturally affable Danes in an even better mood. We happened to be there at the end of 'Copenhagen Pride', so there was plenty of colour, music and gaiety. Copenhagen has amazing public buildings and castles; the streets are well suited to pedestrians, and you will have no trouble getting your ten thousand steps in as you walk around this very scenic city.

We caught the overnight sleeper train to Berlin, which was a treat if you are a train enthusiast like me.. We loved Berlin as you had a great sense of the modern history that has occurred here. Oddly, the Berliners do not seem to share this 'weight of history' and although they recognize it, they do not revel in it... I enjoyed being where so much has happened... It was my third time to Berlin, the first time (1981) was when the wall was still up and I passed through Check-point Charlie to visit the east, the second time (1992) and I ran in the Berlin Marathon. The wall had only been down a couple of years, and I remember the locals being very excited to show off their united city. The finish of the marathon was through the Brandenburg Gate, which was very exciting, as it had previously been cut-off due to the wall running beside it. And now this time with Kay we enjoyed the mix of the old and the new, the history and the street-art scene.

We were lucky enough to spend an evening with our president Steve, who happened to be there at the same time. He showed us some of the sights that only the locals get to see. Thank you Steve, we had a fun night.
From Berlin, we travelled to Salzburg. (is there a prettier shopping street in the world than Getreidegasse...?), we took a day to enjoy the beautiful Berchtesgaden, walked in the Dolomites, time in Florence, the Cinque Terre, the French Riviera, Provence and Paris.

I would like to finish with a small observation. Europe has stunning and imposing public buildings, and thankfully they continue to show them off, despite the current spate of destructive anarchy that some wish to impose upon us, but the most enjoyable parts for us, were the quieter corners... notably, Berchtesgaden, hiking in the Cinque Terre, walking the streets of small towns in Provence and swimming in the river under the Pont du Garde... I am a Europhile, and we are already planning our next trip 😊... David Ramsay

Thanks to our members for being such a friendly, wonderful group of players. Dave and I would like to wish all our members and their families a wonderful Christmas and a safe and healthy 2027.

Edelweiss Dance Group

Hello to all Members

The Edelweiss Dance Group has finished another successful Oktoberfest.

After a very short break we will be returning to practice. By the time the Magazine comes out we will have performed at the Jacaranda Festival in Applecross and also at the Perth Multicultural Festival.

Come Easter next year the Group will be off to Canberra to represent the Rhein-Donau Club at the Volkstanzfest which is held every two years in a different City in Australia. We are going to be very busy!

So till next time

Thank You!

To all our members, a massive thank you for all your efforts over the five weeks of Oktoberfest.

The commitment, enthusiasm of our members has been nothing short of amazing. Running the shooting hall is no small undertaking, and it simply wouldn't happen without the dedication of our volunteers.

I hesitate to single anyone out, but there are a few people I'd particularly like to acknowledge. Special thanks to Anya, who looked after the prizes and kept everything so well organised; Derek, who managed the computers; The sign-in procedure, now in its third year, also ran smoothly and made a big difference to the organisation of the event. And Matt, who took responsibility for the rifles.

Thanks also to Simon, Graeme, the Tonys' and others who were more than happy to take on an extra shift when needed. That willingness to step up is what makes a group like ours work so well.

Many thanks also to Steve and the Club for getting our new room ready. Having it behind the firing line was hugely beneficial and convenient, and it streamlined our whole organisation.

Thanks as well to the Air Pistol Group, who supported our numbers throughout.

Our Heritage

Once again, the rifle shooting proved to be hugely popular. It is quite remarkable just how much interest it attracts from the public. People were quite happy to queue for more than half an hour for their turn to shoot. Some then waited a little longer, because they wanted to be coached by the same person who coached them last year.

Shooting has long been a traditional part of German festivals and community celebrations. The Schützenfest and Oktoberfest traditions have a long association with target shooting, and it is a cultural activity we should do everything we can to preserve.

Our Oktoberfest involvement provides an opportunity to showcase our sport, demonstrate how enjoyable it can be and, importantly, show the public that it can be conducted in a safe, controlled and welcoming environment.

The Eagle Eye Air Rifle Group is an integral part of the German Club, and we are very proud of that association.

Of course, nothing is guaranteed into the future. We are still essentially operating under the old arrangements while Police work through the implementation of the new firearms regulations. There are still some uncertainties ahead, but the overwhelming public interest in the shooting gallery demonstrates just how much this activity is valued.

Following on from Oktoberfest, we have already had several people approach us about joining the Air Rifle Group, with more expected in the coming weeks. I am very confident that we will attract a few new members in the near future.

Oktoberfest – A Full Club Effort

While the shooting gallery is a big part of Oktoberfest, it is important to recognise that the event is very much a 'whole of club' effort. The Dance Group, Bell Ringers, the Model Railway Group, the Kitchen and the beer all help create what is arguably the most authentic German Oktoberfest experience in Perth.

None of this would be possible without the support of all the RDC's groups, including the smaller groups and many individuals who assist helping at the door, decorating the club and all the behind the scenes work.

A special thank you also to the RDC Committee, President Steve Schlegel, Club Manager Petra and Annette, all of whom go above and beyond to make it happen.

.

The popularity of Our Oktoberfest and the number of people who return year after year are a testament to everyone's hard work and dedication.

The Air Rifle Group?

We didn't manage to run the Oktoberfest Cup before or during Oktoberfest, so we'll be shooting for it over the next couple of weeks. The format is a 6-shot target, with everyone using the same "Oktoberfest" rifle. First prize is the key to the Oktoberfest Cup and 10 free drinks, sponsored by the Rhein Donau Club.

I tried to get the event underway last Friday and selected what I thought was a suitable rifle for the occasion. Simon Boyd was keen to go first, but he struggled to hit the target. I reassured him: "It's an Oktoberfest rifle! You can't expect Olympic-quality accuracy!"

I had a go after Simon, expecting to do a little better. I didn't. Only 2 of my 6 shots hit the target, and just one found its way into the black, and only after aiming way, way down and to the left!

After a quick conference, we agreed that while we could accept a certain amount of inaccuracy from a lower-quality rifle, we should at least be able to hit the target.

Christmas Lunch

Our Christmas Lunch will be held on Sunday, 13 December. This is always a special day on our calendar and a great opportunity for everyone to get together, enjoy a meal and spend some time in good company. Lunch is for all members and their partners, so please make sure you keep the date free!

See you on the range.

Three Rhein Donau Athletes Awarded 2026 TPA Scholarships

Three athletes from Western Australia's Rhein Donau Pistol Club have been recognised among the nation's developing target pistol talent, with Katie Nicholls, Siobhy Nicholls and Samarthy Sangwan named recipients of the 2026 Target Pistol Australia ISSF Athlete Scholarship.

The scholarships support developing athletes who are consistently performing at a high level and demonstrate the commitment and potential to progress further in the sport.
Funding can assist athletes with the significant costs associated with high-level competition, including travel and accommodation, competition entry fees, equipment, training and coaching.
For Western Australian athletes, that support can be particularly important, with many major competitions and training camps requiring travel to the eastern states.
While Katie, Siobhy and Samarthy have taken very different paths into pistol shooting, all three have developed their sport through Rhein Donau and share ambitions of representing Australia at the highest levels.

Identical Twins with Olympic Ambitions

Identical twins Katie and Siobhy Nicholls were introduced to pistol shooting through Tetrathlon and Modern Pentathlon before becoming members of Rhein Donau.

Katie began pistol shooting at 18 and says the challenge of the sport has kept her striving to improve.

Sioby

Katie

“Pistol shooting is a very challenging sport, and I have always enjoyed the hard work and the rewards that come from that challenge,” Katie said.
“I stay motivated by having my goals clear in my mind. Whether that's the next event or the big picture of going all the way to the Olympics.”

Katie plans to use scholarship support for training camps as she prepares for a major 2027 season. Her longer-term goal is selection for World Cup and World Championship teams as she works towards the qualification pathway for the Los Angeles 2028 Olympic Games.

“I would take any opportunity given to travel internationally and improve my performance on a higher level,” she said.
“I am absolutely setting my sights on the LA Games.”

Siobhy began pistol shooting at 19 after also being introduced to the sport through Tetrathlon and Modern Pentathlon.
Among her proudest achievements are becoming a **2022 National Champion** and winning a **quota place for Australia at the 2024 Oceania Championships.**
Siobhy said the scholarship would provide valuable opportunities to train and compete interstate.
“Being supported by TPA on my journey is so fantastic,” she said.

“Especially being a WA athlete, I spend a lot of my time and money away at training camps or competitions over east, which carries a lot of extra challenges.
“The support is so appreciated, and it means that I can spend more time perfecting my craft.”
Siobhy hopes to continue developing towards selection for World Cups, World Championships and ultimately an Olympic team.
“Representing Australia on the world stage would be such an honour,” she said.

<u>From a Family Activity to National Competition</u>

Fellow scholarship recipient Samarthy Sangwan began shooting at just 10 years old after his father introduced the family to the range as an activity they could enjoy together.
What started as a family sport quickly developed into a passion for competition.

“The friends I meet along the way and the medals hanging on my wall” are what keep him motivated, Samarthy said.

He has since progressed to state and national competition, with achievements including Western Australian State Team selection, state and national medals and a South Australian State title.

Samarthy said the scholarship would help provide access to new equipment and additional resources to further develop his training. His long-term ambition is clear.

“I want to continue training and hopefully develop myself to join the Australian team and compete internationally,” he said.
Samarthy also credits his parents for encouraging him to keep training, including on the days when motivation was harder to find.

<u>One Club, Three Different Journeys</u>

Although their pathways into the sport have been different, all three scholarship recipients point to the support and community at **Rhein Donau Pistol Club** as an important part of their development.
“The Rhein Donau Pistol Club has been a huge support from day one for me,” Katie said.

“They have been a great community and family that I am so grateful for.”
For Siobhy, the connection is equally strong.
“Rhein Donau Pistol Club has been the birthplace of my shooting and training,” she said.
“I shot my very first air pistol there and got the first sense of what the sport was all about. I've spent hours and hours of blood, sweat and tears at the club, and I'm so proud to be able to represent Rhein Donau.”

Samarthy described Rhein Donau as a welcoming environment and thanked the members who have supported his development.

All three athletes particularly acknowledged the contribution of people within the club who have given their time to support their training and development.

Their selection as 2026 TPA ISSF Athlete Scholarship recipients is an outstanding individual achievement for Katie, Siobhy and Samarthy — and a proud moment for Rhein Donau Pistol Club.
It also demonstrates the pathway available within target pistol shooting: from taking a first shot at club level to competing at state and national championships and, potentially, representing Australia on the international stage.
For Rhein Donau, three athletes with three very different journeys share one thing in common — a club and community helping them pursue their ambitions.

Interested in giving target pistol shooting a try?

Rhein Donau Pistol Club welcomes anyone interested in discovering the sport — from complete beginners through to those with ambitions to compete at the highest level.
Come along, meet the people behind the club and discover a sport built around precision, concentration, determination — and a strong sense of community.

See the sport in action!

The next **Rhein Donau Pistol Club Open Competition** will be held on

Saturday 20th and Sunday 21st February 2027.

Come along and see what some of Australia's best **ISSF 10m Air Pistol** competitors can achieve, with finals taking place at approximately **5:00pm on Sunday.**
Make an afternoon of it — the **Rhein Donau Restaurant and Bar opens at 4:00pm on Sunday**, giving spectators the opportunity to enjoy the club atmosphere before watching the finals.
Whether you're curious about pistol shooting, interested in joining the club or simply want to see high-level competition up close, everyone is welcome.

The next Rhein Donau Pistol Club success story has to start somewhere.

"The Lions Club of East Fremantle welcomes new members!"

Our club is small, but very active in community service around the local area. We meet at the Rhein-Donau Club on the 1st and 3rd Wednesdays each month, getting together at 6:00pm for a meal and a beer(s).

It is an informal and fun get together, to plan and discuss our activities, which usually involves our now famous 'Kiddies Train', that, remarkably, happens to look like Thomas the Tank Engine😊

Simply stop and say hello, or you are welcome to ring Alan (0402 499 049).
